

**MEETING DIRECTORY FOR March/April 2006
OVEREATERS ANONYMOUS - CENTRAL JERSEY INTERGROUP**

Any meeting, regardless of its focus or orientation, must extend the hand of help and recovery to any compulsive eater who seeks to enter, for this is how we share our program with one another. All meetings are closed unless otherwise noted. A closed meeting means that all those attending meet the only requirement for membership -- they want to stop eating compulsively.

Meeting Key

BEG = Beginner
